

# OEM Parts

## All the OEM Parts You Need In Stock and Ready to Ship!

Depot International stocks an extensive selection of imaging, printer, and computer and server parts from leading brands including HP, Lexmark, Xerox, Lenovo, and IBM. We are an HP® PartsOne and Lexmark® Elite parts distributor. As HP's largest and top performing PartsOne distributor, we have all the HP parts you need at the most competitive prices and ready to ship.

### World-Class Distribution

We are renowned in the industry for our worldwide distribution capabilities. No matter where you or your customers are located, we can get product to you quickly. Our state-of-the-art automated systems guarantee constant and accurate communication of your order status so you are never left guessing whether or not your order has shipped.

### Skilled, Experienced Technical Support

Depot International offers comprehensive product support for our broad and deep lineup of printer parts, computer and server parts, and IT services.

All of Depot International's support agents are trained to provide full technical support for all the products we offer. Our support team undergoes extensive training and is authorized to support all products. Our only goal is to provide 100% customer satisfaction.

Call us today and we'll help you find the parts you need!
